## Documents you may receive

We will provide you with a number of documents as you progress through our financial planning process to capture each stage of your advice journey. We may provide these documents to you electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice it will normally be documented and provided to you in a Statement of Advice (SoA), known as a financial plan. The financial plan contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of the advice we have provided.

If we provide further personal advice a financial plan may not be required. We will keep a record of any further personal advice we provide you for seven years. You may request a copy of such records by contacting our office during that period.

When we provide credit advice we will conduct a preliminary assessment to determine the suitability of a particular product. This is normally documented and provided to you in a Record of debt advice or a Credit Proposal. We will retain a record of the debt advice or Credit Proposal which you may request by contacting our office within seven years of the assessment. We will only provide recommendations to apply for a particular credit contract with a certain lender or increase the credit limit of a particular credit contract where the contract meets your needs and objectives and is not unsuitable to your circumstances.

If we recommend or arrange a financial product for you we will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage that product.

You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

## Tax implications of our advice

Under the Tax Agent Services Act 2009, Beacon Financial Planning, trading as Beacon Financial Planning Pty Ltd is authorised by the Tax Practitioners Board to provide tax (financial) advice services on matters that are directly related to the nature of the financial planning advice provided to you. We will not consider any other tax matters in our advice to you. Where tax implications are discussed they are incidental to our recommendations and only included as an illustration to help you decide whether to implement our advice.

## Transaction services

We can arrange to apply for complete transactions for you on limited types of financial products where we can take your instructions and arrange for the transaction to be completed, without providing personal advice. If you wish to proceed without our advice, we will ask you to confirm your instructions, which will be documented in writing. We will keep a record of this documentation for seven years. You may request a copy of such records by contacting our office during that period.

## Your relationship with us and using our services

You can contact us directly with any instructions relating to your financial products. This includes giving us instructions by telephone, mail or email. We can only accept your instructions via email once you have signed an authority form.

We will work with you to agree what advice and services we will provide and when and how often we will provide them.

Where you agree to ongoing advice and services, the details will be documented and provided to you in a service agreement. This includes the frequency of contact between us, service standards that may apply, any ongoing fee arrangements and how the service can be terminated.

If at any time you wish to terminate your relationship with us, please contact us using the details shown in this guide.

## Changing service providers

To ensure that you are provided at all times with ongoing servicing to meet your financial needs, we may transfer our rights and obligations under our servicing arrangement with you to another adviser or financial planning practice within the AMP network or to another AMP licensee (the new service provider). If we do this, the new service provider will provide the ongoing servicing to you and will be entitled to the agreed on-going fees. The new adviser will also take over the rights and obligations on the same terms and conditions set out in the servicing arrangement and we will be released from those rights and obligations. We will write to you in advance of a transfer occurring, to introduce your new service provider. You may notify your new service provider at any time if you want to vary or end your servicing arrangements.

## Providing information to us

It is important that we understand your circumstances and goals, so that we can provide you with appropriate advice and services. You have the right not to provide us with any personal information. Should you choose to withhold information, or if information you provide is incomplete or inaccurate the advice or services we provide you may not be appropriate for you.

It is also important that you keep us up to date by informing us of any changes to your circumstances so we are able to determine if our advice continues to be appropriate.

# Our fees

## Payment methods

We offer you the following payment options for payment of our advice fees:

- BPAY, direct debit (savings), credit card or cheque; and
- Deduction from your investment.

All fees will be paid directly to AMP Financial Planning as the licensee. They retain a percentage (as a licensee fee) to cover their costs and the balance is passed on to us. The percentage is determined annually, based on a number of factors, including our business revenue for the prior year.

For more information on our services, please see our **Schedule of fees** attached or available on request.

## Fixed service fees

We offer the following services at these fees:

Service	Fee
Aged Care Advice	Starting at \$1,210

## Other costs

Where other costs are incurred in the process of providing our advice and services to you, you will be liable for these costs. However, we will agree all additional costs with you prior to incurring them.

## Other benefits we may receive

The following is a list of benefits we may receive other than those explained above. These are not additional costs to you. These benefits may be monetary or things like training, events or incentives we are eligible for.

In addition to the payments we may receive for our advice and services, we may receive other support services from the licensee. We may also be eligible to receive financial and training assistance, prizes and awards or events in recognition of financial planning excellence and innovation, including if we qualify under the licensee's excellence program, and business performance or business costs. These benefits are paid either at the licensee's discretion or depending on meeting certain qualifying criteria including the quality of our services, business goals and ranking against other practices in AMP Financial Planning. The amounts are set by the licensee from time to time (usually on an annual basis). We may also participate in business lunches or receive corporate promotional merchandise tickets to sporting or cultural events and other similar items.

### Development, management and advice (DMA) recognition

We may be eligible for Development management and advice (DMA) recognition or equivalent payments based on our performance relative to other AMP Financial Planning practices in prior years.

The DMA payment is based on a percentage of our practice revenue. Our DMA percentage will be set annually and may range from 0% to 10% depending on our ranking. The relevant percentage is then applied to our practice revenue and the resulting payments are received across the year (the 'payment period').

For example, if there are 12 monthly payment periods in a year, and if our DMA rate is set at 3% and our revenue for the payment period was \$25,000 (assuming, for the purpose of this example, the revenue is the same for each payment period), we would receive  $\$25,000 \times 0.03 = \$750$  each month.

### How our performance is ranked

Ranking of practices is determined by a points system which is a broad measure of the growth and professionalism of our practice as compared to other practices in the AMP Financial Planning

network. The points system is based on a combination of factors within a balanced scorecard such as the quality of our services, compliance, our business goals and our engagement with our clients through a measure called Advice Growth Index (AGI). AGI measures the value of our fee for service revenue and the change in our clients' product holdings over the measurement period.

### **Business growth advice payments**

All practices within the AMP Financial Planning network are eligible for Business Growth Advice (BGA) payments. The payments are based on our practice revenue.

BGA payments are set at 1% of our practice revenue. Payments are received twice each month. For example, if our practice revenue was \$8,500 in a payment period, we would receive  $\$8,500 \times 0.01 = \$85$ . Assuming an average revenue of \$8,500 per payment period, the total BGA payment received in a year would be  $\$85 \times 24 = \$2,040$ .

### **Business buy-back option**

If we leave the financial services industry or can no longer appropriately service a selection of our clients, AMP Financial Planning will either look after our clients or appoint one of its authorised representatives to do so.

If this happens, AMP Financial Planning makes available a facility for practices to transfer the servicing rights of their clients. The valuation will vary depending on certain factors including the annual recurring revenue of our practice and the level of our service standards.

### **Personal and professional development**

AMP Financial Planning provides personal and professional development opportunities in the form of education and professional development programs, offered annually to qualifying practices.

#### **Summit**

The Summit is a national convention available to advisers from all AMP Financial Planning practices. AMP Financial Planning subsidises the expenses of those who attend the convention up to a maximum value of \$1,200 per annum per practice.

#### **Education and professional development programs**

AMP Financial Planning may subsidise the cost of our participation in approved education and professional development programs if we meet specific qualification criteria. The qualifying criteria is based on a combination of factors including the quality of our services, our business goals and our ranking against other practices in AMP Financial Planning. The maximum amount of this subsidy is \$12,000 per annum per practice. Advisers can allocate a percentage of their grant towards travel and accommodation to attend an approved course.

AMP Financial Planning will also provide a grant to us if we meet specific qualification criteria by reimbursing the practice up to 20% of the licensee fees payable by the practice to the licensee in 2017 to meet the training and education requirements for financial advisers as required by Financial Adviser Standards and Ethics Authority.

#### **Amicus program**

In addition to the above, certain practices that meet additional qualification criteria will be eligible to participate in the Amicus program, an additional personal and professional development program organised by AMP Financial Planning. If a practice qualifies for the Amicus program, AMP Financial Planning will subsidise the cost of their participation up to a maximum value of \$15,000 per annum per practice.

### **Para-planning costs subsidy**

We may be eligible for a subsidy from AMP in relation to paraplaning costs, depending on the number of paraplaning requests that we make in a particular month. If our practice submits a minimum of 5 paraplaning requests per eligible authorised representative in our practice, we receive a discount of up to 25% in relation to these costs. For example, if the total cost of 5 SOAs is \$1,000 we will receive a discount of up to \$250 ( $25\% \times \$1,000 = \$250$ ) and pay a discounted fee of minimum \$750.

**Placement fees**

From time to time AMP Financial Planning will receive fees from brokers or product issuers (including AMP group companies) for arranging client participation in Initial Public Offerings (IPOs) of financial products. The fee, which is generally a percentage of the fee paid to the broker, varies from offer to offer and by the level of participation by AMP Financial Planning. We may share in this fee based on the level of participation by our clients.
